Proceeds from this year’s “Fund the Need” paddle raise will be split between two program areas that are powered by philanthropic support: The Raptors of Schlitz Audubon and Education. If you choose to contribute prior to the event, you will receive verbal recognition during the event, a listing in the print program and annual report, as well as a listing on Gala signage. If your gift is \$5,000 or above, you will be presented as our “lead donor” for the “Fund the Need” portion of the evening.
